## Upcoming Student School Survey

November 27-December 1, Deer Creek School students in 3rd, 4th, and 5th grades will participate in the PBIS School Climate Survey during morning meetings.

The School Climate Survey is an anonymous survey used to identify school climate issues within our school. There are 11 questions about students' experiences at school, and they should take 10 minutes to complete. Students are also asked for demographic information about how they identify. Click here to view a copy of the questions: [Climate Survey Questions \(Elementary\)](#). The data collected from this survey will be used to understand student perceptions of school climate issues within our school and how student identity may affect their school experiences. School staff uses the results to inform our efforts at improving our school climate.

Results are anonymous, but families are given the option for their students to opt out of taking the survey. If you would like to opt-out your student, please contact Associate Principal, Dina Christophersen. Although we hope everyone can take the survey, we recognize some families may not want their students to participate.

Thank you!

## Student Safety

Student safety is one of our top priorities at Deer Creek. As we know, the traffic during morning drop-off and afternoon dismissal can be pretty hectic. With that said, please do not unload or load your child(ren) into a car on 131st Ave. Please choose to use the pull through pick up line in our parking lot, park in the lot, or park in the neighborhood and retrieve your child(ren) there. Thank you for your understanding.

## Volunteer Information

### Volunteer process:

We are very fortunate to have wonderful community members and families who want to be part of our students' education by volunteering! With that comes the responsibility of making sure our schools and students are safe at all times.

Anyone seeking to be a volunteer for our schools and or buildings needs to be background checked and offered the vector training. If a community member and or parent wants to volunteer, they have to go through the [volunteer process](#) and be cleared before doing so.

### Volunteers and after school events:

The volunteer process must be followed if the person will be interacting with our students. Whether the volunteering will take place during school or after school, the parent/community member must undergo the volunteer requirements as outlined on our website. This includes all school and or PTO/PSO sponsored events.

### Background checks:

We are very busy with background checks for new hires and volunteers. Please get your volunteer applications submitted sooner than later so you are approved for activities throughout the year. Volunteer applications are good for 3 years, this includes the background check and the training.

### Covid Vaccine Cards are no longer required!
